SPONSORSHIPS

Make a strong impact on your potential clients and engage with policy makers, key industry players, associations, federations and by investing in the following sponsorship opportunities. Your brand will be promoted to boost your organization's prestige and corporate social responsibility.

In addition to our standard sponsorship packages, we offer standard booth and ala-carte packages for those who wish to support in a more hands-on way by contributing towards side-events or items crucial to the main event.

STRATEGIC PARTNERSHIPS

We have the perfect strategic partnership package for you,

Our partnership package at Green Energy Symposium & Exhibition Sarawak 2023 (GESS), a premium and exceptional event featuring testbeds allowing developers to stimulate a production environment and test the applications. Strategic partnership offers you the chance to participate in testbeds and demonstrate the systems, resources, technologies and capacity of your products and services to a premium audience.

With our package, you can establish significant business relationships, access exclusive resources, receive delegate discounts, and gain valuable insights on Sarawak's leadership direction towards net zero economic development. Strategic partnerships opportunity is designed to offer you the unparalleled benefits and business networking opportunities.

Our partnership package allows you to also get access to local and international resources and industry-specific valuable advice that can help you optimize and grow your business. This is a great way to increase your visibility and gain valuable insights about the markets.

Our partnership package will also provide you with the chance to make valuable connections and participate in business-to-business networking activities at the event. You'll be able to obtain the contacts of potential customers, partners, and suppliers who can help you grow your business.

For more details of how you can participate as a strategic partner, contact our Secretariat.
